

Dr. Dellia Evans,
speaker/author

FIND YOUR Blind Spot

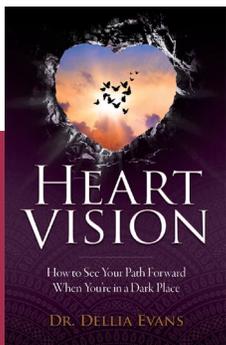

Open Your Eyes to Divine Opportunities
DR. DELLIA EVANS

**Do you feel trapped in your circumstances?
Are misunderstandings holding you back?
Are you fearful of the opinions of others?**

Dr. Dellia Evans is a well-respected practicing optometrist for over 25 years and has helped over 250 thousand patients to improve their vision and view their lives with greater clarity.

Dr. Dellia is a Christian leader who not only helps people to see more clearly physically, but also spiritually. She has learned the power of shifting her thinking to live a transformational life and has uncovered the blind spots that many Christian believers suffer from as a result of misunderstanding spiritual principles. Dr. Dellia's inspirational and life-changing message is helping Christians throughout the United States to wake up spiritually and become mindful of their DIVINE opportunities.

Dr. Dellia is an exciting, engaging and sought-after speaker. Her book, **Heart Vision**, helps readers to identify their spiritual blind spots and see more clearly the path they should take. **Heart Vision** and its companion workbook, **Heart Vision Journal**, can be ordered on Amazon [here](#) and [here](#), or at any local or national book store.

DR. DELLIA IS AVAILABLE TO SPEAK TO:

all Civic and Christian women's groups, retreats, associations, conferences, and meetings including churches, Christian schools, Campus Crusade for Christ groups, etc.

TOPICS FOR KEYNOTES, WORKSHOPS, SEMINARS AND LUNCH & LEARNS:

- Understanding the Power of FREE WILL - YOU have the authority to make the life-changing choices
- How do you truly honor Christ? - Manifest the fruit of the Spirit by letting go of the misconceptions of toxic relationships
- Overcome your need for approval - Are other's perceptions of you keeping you back and holding you captive?
- Dellia Evans - My powerful and life-changing revelation - *I changed my story, and you can, too.*

WHAT OTHERS ARE SAYING:

"Great presenter. Very inspiring with serious WOW factor!"

Al Armstrong, MED -
